

## GOD'S PLAN FOR US

God has a plan for each soul, it is written in the Bible. (1) Everything God does is perfect, as was the creation of Adam and Eve for His fellowship. (2) Adam was created with a spirit, soul, and body. His spirit gave him access to God. His soul is the real unseen person, with a free will, intelligence, emotions, etc. The spirit and soul are called the immaterial part; covered with a body (3) made from the dust of the earth. They had a perfect environment in the garden, but did (4) disobey God by eating of the forbidden tree of the knowledge of good and evil. Death was the result. Death means "separation". Their spirit died instantly, they were separated from God. They were aware of their condition and tried to cover their sin by (5) sewing fig leaves together. God rejected this works project and killed a lamb for a sin offering. This was a type of the (6) Lord Jesus Christ to come to shed His blood for our sins. They were again restored to fellowship with God, but because of His work of using an animal as a sacrifice and not their work using fig leaves. Their body died many years later (separation of body from immaterial part-soul and spirit).

(7) We are all the offspring of Adam, born with a dead spirit, with no access or fellowship with God. We are then informed we must be "born-again". (8) We have a soul and body only, it is the spirit that must be made alive. We are born-again or saved when we hear the gospel message and believe (9) it personally. The gospel is (10) Christ died for your sins, he was buried, and the third day he arose. All man's sins are paid for; past, present, and future. All there is for us to do is accept the paid debt. The only (11) damning sin that sends people to hell is rejection of Christ as their personal and only Saviour. When we accept his work on the cross, in our behalf, we become his child, born into his family, spiritually regenerated, called a Christian. Formally we were only his creation, born into man's family, equipped for hell. So we have the bad news of our first birth, but the good news of the gospel of Christ is available to everyone. All will not listen, believe or accept this plan recorded in the Bible, thus they will have no one to blame when they go to hell.

When we hear, believe and accept the work of Christ on the cross, we can then know we have eternal life in heaven because of the promises in the Bible. (12) It is such good news, that we want to tell others. In fact, that is the only method God uses, and we have both the duty and privilege of (13) telling others. Some won't listen, others do, it is their decision, and the decision is an automatic "no" until it becomes "yes". There is no (14) decision after death, as there is a great gulf between heaven and hell. Nothing man can do in the form of (15) works will be accepted by God. Christ did it all, he said "it is finished", on the cross, and he meant the work of paying for the sins of all mankind. If there were something man could do to pay for sin, why did Christ bother to take upon himself flesh, and die for the likes of us? If he paid for all sins on the cross, what sins remain to be paid for by man in baptism, reformation programs, church membership, etc. If man could pay for his own sins, Christ died a very horrible death for nothing.

So this is God's plan, but the (16) natural man does not understand; (that is the soul and body part). Until one is "born-again" spiritually, and has the Holy Spirit dwelling inside him, he has no power to understand the Bible. After being saved, we can spend the rest of our life reading and obeying God, sharing this wonderful message with others. We do have opposition from the devil, our flesh and the world, but we are on the winning team and accept any trials, knowing that Christ will ever be with us and strengthen us. We continue to pray that our loved ones will meet the Lord as their own personal Saviour and not as their judge, who must condemn them to hell forever and ever.
